**Re: Submission to host the WONCA Europe Conference 2014 in Lisbon, Portugal**

We are delighted to present the Portuguese Association of General Practitioners (APMCG) submission to host the WONCA Europe Conference 2014 and we would like to propose Lisbon as potential host city.

APMCG has a history of hosting successful national annual scientific meetings and other international events, we are sure that we may contribute for a successful WONCA Europe Conference in Lisbon for all delegates.

We welcome the opportunity to bid and look forward to officially presenting our bid in Malaga next October.

Yours sincerely

João Sequeira Carlos
