

2nd Invitational Meeting of
European Colleges and
Associations

10th to 12th June 2011

Lisbon – Portugal

Dear President,

Dear Colleague,

Thank you for your registration in the 2nd Invitational Meeting of European Colleges and Associations members of WONCA Europe.

Following our first letter we received positive answers from several organizations. We have already confirmed the participation of 30 colleagues from 16 countries. We hope that their involvement in this meeting will contribute for the necessary reflection about issues concerning future developments in European GP/FM and consequently in WONCA Europe governance and policy strategies.

In 2008 the Invitational Meeting was a true success. We expect in 2 weeks to have the same enthusiasm and motivation to work together. The Portuguese Association of General Practitioners (APMCG) is also preparing special moments to reinforce friendship between colleagues since we consider that an essential feature to empower WONCA Europe as a strong organization.

You can find attached to this letter more information about the meeting. If you have any subject to raise don't hesitate to contact us.

We are looking forward to meet you in Lisbon. Warm regards,

João Sequeira Carlos

President APMCG

Portuguese Association of General Practitioners

Avenida da República, 97 – 1º, 1050-190 Lisboa, Portugal

apmcg@apmcg.pt
