Subject: Information about the Statutory Committees: WONCA Europe Elections 2016-2019

Dear Council members of WONCA Europe,

Following my mail of 7 April 2016 about nominating candidates I would like to add information about the statutory committees in order to be clear on the process.

Members of the Nominating or Finance committee will have to be members of the Council. A letter of approval by his/her college association is not necessary. Members are requested to show their interest by sending an email to Barbara Toplek (SecretariatEurope@Wonca.net). All current members are also requested to respond. Members may also apply from the floor at the beginning of the meeting in Rio.

For the Membership and Bylaws committee the members can also come from outside the Council. A letter of approval by his/her college association is not necessary, but the nomination of non council members should be approved by the council member of that country. Candidates are requested to show their interest by sending an email to Barbara Toplek (SecretariatEurope@Wonca.net). All current members are also requested to respond. Members may also apply from the floor at the beginning of the meeting in Rio.

Hoping to have informed you sufficiently,

Rob Dijkstra,
Temporary Chair of the Nomination Committee
