WONCA Europe Conferences

Eligible Organisations to Bid for the Organisation of a WONCA Europe Conference

1. Only paying WONCA Europe Member Organisations are eligible to bid for the organisation of a WONCA Europe conference.
2. If more Member Organisations from different countries wish to organise a joint WONCA Europe conference, the Member Organisation of the country where the conference shall take place is eligible to bid. A separate contract between the participating Member Organisations will constitute an annex to the contract between WONCA Europe and the Member Organisation of the country in which the conference will take place.

The Bidding Procedure

Important Changes in the Procedure

WONCA Europe has entered into an agreement with a Core Professional Conference Organiser (Core PCO), GUARANT International, for the organisation of the 2023 conference. The Core PCO will have the general managerial overview of the conference and, in particular, will be responsible for the financial and logistical arrangements. The Core PCO will be responsible for a balanced final budget covering any deficit in it. As such, the Core PCO is entitled, after agreement with the Member Organisation and WONCA Europe, to make necessary changes on expenses in case of potential threat of the negative unbalanced budget (for more information applicants should refer to attached contract between WONCA Europe and Core PCO).
Therefore, the Member Organisation that intends to submit a bid, must:

1. Contact the WONCA Europe Core PCO\(^1\) as soon as possible, with the help of which the logistical feasibility of the bid (e.g., proposed venue and fees) will be assessed;
2. Inform the potential local PCO of the Core PCO, and the role and responsibilities that the latter will have;
3. Provide a statement that the Member Organisation and the local PCO (if applicable) are willing to collaborate with the Core PCO;
4. Provide a letter from the Honorary Treasurer of WONCA Europe that at the time of the bidding the Member Organisation has paid the regular membership fee.

The Submission

The submission from a Member Organisation shall include:

1. All names and necessary details of the organising committee which will be responsible for the arrangements on the behalf of a Member Organisation, and a contact person;
2. Proposed city and venue of the conference;
3. The dates proposed for the conference;
4. The outline of ideas regarding the theme and main topics;
5. Proposed early bird fee, regular fee, late fee (for WONCA Direct Members, for delegates, for trainees and junior doctors, and for students);
6. The scientific programme and other activities of the conference;
7. A statement that an assessment of the bid was made by the Core PCO (on such areas as, logistics, venue, proposed participation fees);
8. The contact details of the local PCO (should the Member Organisation decide to employ one);
9. A statement that both the Member Organisation and the local PCO (if applicable) accept the division of responsibilities and are willing to cooperate with the Core PCO of WONCA Europe;
10. A statement that the Member Organisation has paid its membership fees to WONCA.
11. Information on how equity is addressed in the conference (applicants should refer to: "Conference Equity Standards for WONCA conferences" and "Gender Equity Standards for WONCA Scientific Meetings")

Member organisations are asked to adjust their bids to the following issues, which are related to the strategic paper on future conference, as adopted by the WONCA Europe Council in 2005:

1. **Content and structure**
